Please send this application form to application@saha.org.tr with the subject "Contact Zones 2022" as one merged PDF document, which includes:

- CV;
- Portfolio of recent projects, exhibitions, publications or fragments of research papers;
- The project proposal with:
 - Brief description (max. 1,000 words) of the proposed study and its components justifying the need to conduct this study in the selected institution;
 - Research plan/methodology directly related to the local context;
 - The expected result of the research and the proposal of the format of its public presentation in the host institution;
 - Five images or illustrations relevant to the proposed study.

Applications are accepted until February 21, 2022.

All applicants will receive a confirmation email after the deadline date.

If you do not receive a confirmation email, please contact: info@saha.org.tr

A final decision on applications received will be made in April 2022.

The duration of the residence is 6 weeks from May to June 2022.
